

PAUL DAVIS SYSTEMS
Commercial

PDS COMMERCIAL PROVIDES EMERGENCY REPAIR SERVICES TO COMMERCIAL PROPERTIES FROM MORE THAN 60 LOCATIONS COAST-TO-COAST. WE ARE THE SINGLE, NATIONWIDE SOURCE FOR ANY JOB THAT FALLS OUTSIDE THE SCOPE OF YOUR JANITORIAL STAFF'S WORK.

Fast and Fair

Our emergency response line provides a live answer every time and connects you to your local PDS Commercial office.

Your PDS Commercial Project Manager—a single point of contact—will return your call personally within 30 minutes and be on site within 2 hours.

We'll call from the site to explain the impact of the incident and in our first report we email photographs of the scene, scope of work, and an initial estimate.

Any Job

Regardless of what causes your emergency—water release, flooding, fire, smoke, extreme weather or the discovery of a hazard such as mould—we'll respond quickly.

We ensure the health and safety of building occupants, prevent or minimize disruption of the building's normal activities, and restore damaged property and equipment.

24/7 Emergency Service and Support

Our core services are:

- Structural stabilization and board-up
- Water extraction
- Drying
- Cleaning
- Air purification
- Mould remediation
- Break-and-enter rectification
- Contents packout and cleaning
- General contracting

We also provide these services to the major insurance companies. Why do they entrust thousands of jobs to us annually? Because we are the dependable option—trustworthy, conscientious and communicative.

We can provide continuous job information via a secure web link, so you'll always be up-to-date.

Certified and Insured

PDS Commercial is comprehensively insured. We are also certified under the standards set by the independent North American Institute of Inspection, Cleaning & Restoration Certification (iicrc.org/standards/).

Unsure if we can provide the services you need? It costs nothing to talk. Call us anytime.
